*When the finishing  
touches count,  
there's no need to  
look any further than...*

**ESTAMP**

*Europe's premier range of handles*

*Distributed by*

**Parbury**

# European quality

Parbury's European range of handles can be identified by the world respected manufacturer and brand of Estamp.

With 2000 selling points in Spain and distributing to over 80 countries, across 5 continents, Estamp has established a brand and quality as one of the leading manufacturers and designers of furniture hardware in Europe.

Parbury is the sole distributor within Australia.

Parbury is committed to supplying a premium quality product that provides our customers with design solutions to suite a variety of commercial and domestic needs.

# Selecting your finishing touch

As one of the most used items in your kitchen, choosing a handle that will endure everyday use as well as being the latest in European Design and Quality is made easy through Parbury.

## Quality finishes

**ESTAMP** offers a variety of quality finishes second to none and backed by our warranty period and APPLUS certification.

Certifying a maximum degree of endurance to corrosion with an extended warranty of 3 years!

This warranty coverage is a testament to the quality manufacturing process Estamp applies to all their products.

# Things to consider

## What primary shape & design are you trying to achieve in your kitchen?

U-shaped | L-shaped | Galley | island benchtop layout with a Square Set | Minimalist | Contemporary | Traditional Design?

## What appliances and accessories will I have in my kitchen?

...Do I want a stainless steel fridge?

...Will I have stainless steel kick board laminate to complement my appliances?

Your choice of your finishing touches will help you decide on the "decorative" finish that would look best on your handles.

## What door finishes are your handles being used on?

Sliding doors, Aluminium Doors, Timber Doors, Vinyl Doors, Laminated Doors, Roller Shutters? Depending on the finish and material of your door, we have a handle that will suit any door choice. Doors aren't just for closing! They should open up design possibilities too.

### **STYLISH** Hardform Doors...*by Parbury*

For that design that looks great and can stand up to the toughest punishment! Hardform doors are the solution for everyday living conditions. Made with either rolled or square edges and with standard or heavy duty edging they are made with durability in mind.

### **DESIGNER** Colorform Doors...*by Parbury*

Feel the Luxury of Parbury's Colorform doors! Made from the highest quality vacuum form materials the Colorform range offers textured crystal, Smooth Matt and vibrant gloss finishes in a range of colours. Coupled with detailed and simplistic designs the Colorform range is the prestige designer door for your space.

### **LUXURY** Aluminium Doors...*by Parbury*

Hi-light special areas in your home with Parbury's Aluminium door range. As feature cabinets in a kitchen or fitted to that special piece of furniture, these doors make a statement in any design. Offered in natural finish aluminium and with 12 glass options they can be used with lighting effects that make a simple space look spectacular.

# Finishing Touch Options

The latest range of handles to satisfy minimalist/contemporary design needs, with a range of square, recessed and round options in Brushed Stainless and Aluminium finishes, introducing the...
